

## CARBON AIR INDUCTION SYSTEM

Part No: SF1003  
Part No: SF1004

### Installation Instructions

v20200421

#### Important notes before installing:

- All installation work should be done by a qualified professional to avoid damage to this product.
- Some vehicles will have air flow/temp sensors fitted to the factory air box that **MUST** be retained.
- The engine application guide below will help you work out how much air flow your engine needs and which setup to use. Some installations will require more than 1 intake system.

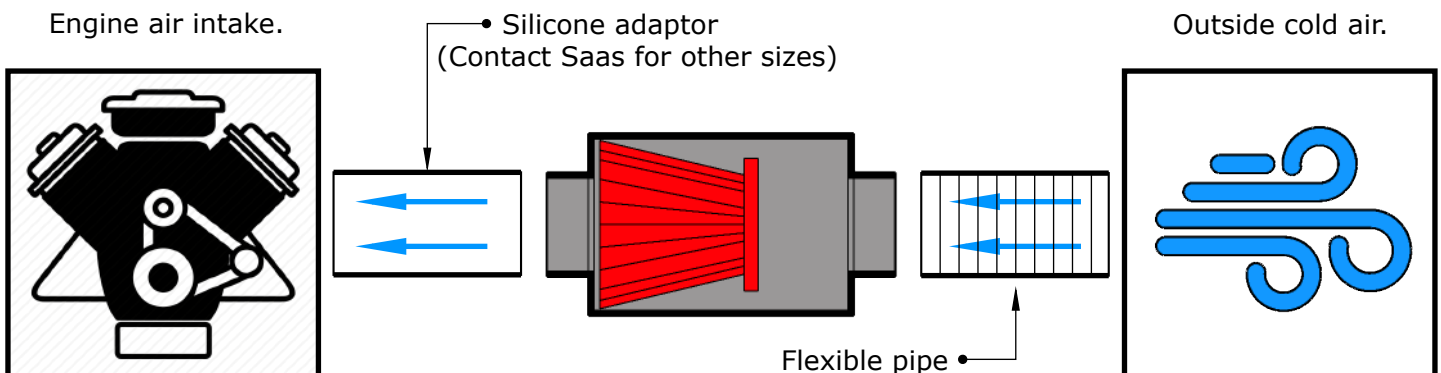

#### Engine Application Guide:

Factory Engine Size.	Number of Intakes Systems Recommended.
1 to 6 cylinder naturally aspirated (N/A) engines	1 system
8 cylinder naturally aspirated (N/A) engines up to 5.0lt	1 > 2 systems
4 to 6 cylinder turbo/supercharged engines	1 > 2 systems
8 cylinder engines over 5.0lt	2 systems

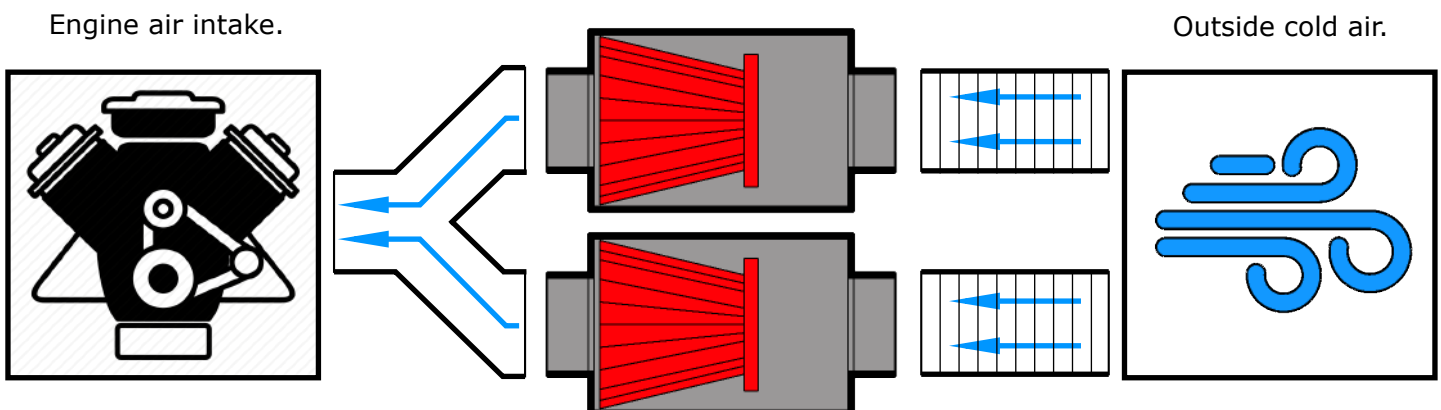

- **Note:** The above information is just a guide only, as a general rule to get the most out of your engine we recommend keeping the factory air box size the same or close to. (Eg. **1** large factory air box = **2** intake systems)

#### System Setups:

##### Single Intake System

##### Dual Intake System

## Maintenance:

- Cleaning your intake system is recommended every vehicle service.
- To remove the inner filter, remove the 3 screws at the filter end and slide the inner filter out.
- Clean the filter with compressed air or a suitable automotive filter cleaner.
- Inner filter replacement part number# **SFR01**

## Specifications:

Carbon filter dimensions	250mm x 135mm
Carbon filter inlet/outlet size	76mm (3.00")
Flexible pipe size and length	76mm x 1meter
Hose clamp size range	86mm > 76mm (3.25" x 3.00")
Pipe reducer size	76mm > 63mm (3.00" x 2.50")
Carbon filter mounting bracket length	180mm

## Contents:

In The Box	Qty	
Carbon filter	1	
Carbon filter mounting clamp	1	
Carbon filter mounting bracket	1	
Flexible pipe	1	
Pipe reducers	2	
Hose clamps	2	
Fitting instructions	1	

## Warranty Terms & Conditions:

SAAS Automotive Pty Ltd warrants this product against defects in factory workmanship and materials for a period of (5) years from the date of original purchase. This warranty applies to the first retail purchaser, is non-transferable and covers only where the product has been subjected to normal use or service. Provision of this warranty shall not apply to any SAAS Automotive product that has been used for a purpose for which it is not designed, or which has been altered in any way that would be detrimental to the performance or life of the product, or misapplication, misuse, negligence or accident. Warranty claims to the manufacturer must be transportation prepaid and accompanied with dated proof of purchase. On any part or product found to be defective after examination by SAAS Automotive Pty Ltd, SAAS Automotive Pty Ltd will only repair or replace the merchandise through the original selling dealer or on a direct basis. SAAS Automotive Pty Ltd assumes no responsibility for diagnosis, removal and/or installation labour, loss of vehicle use, loss of time, inconvenience or any other consequential expenses. The warranties herein are in lieu of any other expressed or implied warranties, including any implied warranty of suitability, and any other obligation on the part of SAAS Automotive Pty Ltd, or the selling dealer.
